TO WHOM IT MAY CONCERN:

I only learned of this requirement yesterday and all the phone lines to obtain EIN have been busy for 5 straight hours today. It appears there is no way to obtain this number by telephone so I must take the route proposed by the automated phone line and file by fax for the EIN number. Since the filing date is July 31, 2000, I am mailing by certified mail return receipt requested today. This has been most confusing and I am doing the only thing I know to do.
